

Life Group Follow up to the APCMs

We want to encourage you in your life groups to follow up our APCMs in your groups this week.

Looking back and giving thanks

Looking back on the last year...

- Where have you grown as a Christian and how has the church particularly helped?
- What do you particularly want to celebrate and give thanks for in the light of our churches.

Offer these to God in prayer together

Remain in me!

Read John 15:1-17

Dave shared these verses on Sunday. Particularly highlighting the call in this season of transition to

- a) 'Remain in me [Jesus]' (v4)
- b) 'Remain in my love' (v9)
- c) 'Love one another' (v12)

Take each of those three things and discuss together how we go about doing this individually and corporately.

Is there anything else in the passage that speaks to you for our churches in this time?

How can you be part of God's work here in the coming year?

We are particularly encouraging everyone to reflect on how they are serving in the church in this season and to prayerfully review this with God and others.

In 2s and 3s share with each other different ways in which you are serving and affirm and pray for each other in this.

You may like to share any new ways you think God may be calling you to serve or new things he is putting on your heart in this season.

If people are not sure of their particular gifts or passions, encourage each other with what you see each other's gifts to be and how this might be lived out.

Do encourage everyone to complete the online 'Gifts and Passions survey' which people can find here:

Give thanks for each other's giftings and ministries within the Chase Team and offer them to God in prayer.
